

STANDARD TERMS AND CONDITIONS

December 9, 2011

Quotation valid for 30 days. Price and delivery are subject to review by CCI at time of order placement.

New part orders require GERBER DATA, FABRICATION DRAWINGS, and a PURCHASE ORDER by 10:30 AM of DAY ONE.

The nature of Colonial's product is such that we cannot determine an ITAR requirement without the customer's specific notification. Thus, Colonial will assume that ITAR and export compliance are not required unless specifically stated on the drawing or purchase order.

At time of order, PRICE and DELIVERY are subject to review of supplied data, and SHIP DATE is subject to current production backlog.

All products manufactured through our engineering process remain the property of Colonial Circuits, Inc. Any customer supplied items will be returned at time of shipment.

When OBSOLETE Military and IPC specifications are documented requirements with no cross reference replacements, we will substitute the following, unless otherwise specified at time of order placement:

IPC-2221 substituted for MIL-STD-275

IPC-4101 substituted for MIL-P-13949

All products are manufactured, inspected and certified to the LATEST REVISION of Military and IPC documents unless stated otherwise. Product requiring MIL-P-55110 or MIL-P-50884 will be manufactured, tested and certified to Appendix B when no appendix is specified. All Military product will be electrically tested on flying probe testers using 3-D adjacency, default setting .060", unless fixture testing is specifically requested.

Colonial's ultimate responsibility on any order will be the replacement of product supplied or the refund of purchase price.

If soldermask is required, pricing assumes LIQUID PHOTO IMAGABLE over BARE COPPER, unless otherwise specified.

Payment terms are NET 15 on approved accounts. We also accept VISA, MASTERCARD, DISCOVER, and AMERICAN EXPRESS.

FOB - Fredericksburg, Virginia.

Colonial Circuits is a SMALL BUSINESS CONCERN.
